We're more than just ABC's & 123's

Kidz Corner

Well, it is almost over. We are going to miss our Kidz so much. All of us at the Center, are truly going to miss your children. However, we are very excited for them to be going to kindergarden, and they are too.

There is a Kindergarden festvle that Universal Preschool is hosting on May 30th, I highly recommend that you go, it is going to a lot of fun for your child. If you rsvp, your child will receive a free back-pack of goodies.

On Friday, May 9th we will have muffins with Mom, we are asking for all preschool students to come in at 9:00 A.M.. There will be no P.M. session on this day. We will follow the same schedule on June 13th for donuts with Dad. For full-time students, you will follow your regular schedule

The kidz are really excited about graduation, and so are we. Probably us more that them. Graduation will

start promptly at 10:00 A.M. We are asking that you bring the children in at 9:15 A.M. dressed in their cap and gown.

We will be passing out a parent survey. We are asking that you please fill it out and answer the questions truthfully, we know that it is possible that some of you answers

will sting, but we really need to know.

Hopefully, all of you have enrolled your children in school already, if not be sure to do so as soon as possible. Some of the schools are even giving tours of their kindergarden classes. A lot of parents have asked us will we be transporting children; as of now the answer is no. We

won't, we just don't have the staff to do something like that. Some of the schools have CDC centers, or a program called WRAP which is absoulty free. If anything changes, we will be sure to let you know.

The worst part about this job, is seeing children leave, we know that there will be tears at the graduation.

We really get attached to these children, but we wish them the best. Some of you come in early in the morning and see me in my office, well what I'm doing is preparing myself for the day, and one way of me doing that, is by praying for you and your children. I want you to know that just because you all are gone, does not mean that I will not be praying for you anymore. I love you all and you all are all going to be greatly missed. Love you!!

In his service always,

Samitha
